Our well-attended market is a terrific venue for you to be seen.

Friend of the Market

Did you know that the Copake Hillsdale Farmers Market is a volunteer organization that does not seek profit? With a donation from you, we might explore new activities, improve our infrastructure, enhance our advertising, expand our community outreach, and more. **You can help make it all happen.**

Music Sponsor

Our customers often comment on the wonderful live music at the market. We adore our varied musicians, as well.

Would you consider sponsoring a musician for a week or more? **In return, we will show you all sorts of love -- mentions in our newsletter, website, and more.**

Guest Speaker

Do people come to you with questions on gardening, going green, eating healthy, recycling, staying fit?

Share your knowledge with our guests, and make connections.

Simply put, we are always looking for help with *all aspects* of market operation. **Fun, rewarding, needed. Let's talk.**
